

Whitelist Disclaimer

1. **Introduction** This Disclaimer (the “Disclaimer”) governs participation in the Haust Labs White List (the “White List”). By participating, you acknowledge that you have read, understood, and agreed to be bound by the terms set forth herein. Participation is entirely voluntary and does not create any contractual or legal obligations between the participant and Haust Labs or its affiliates.

Haust Labs reserves the right, at its sole discretion, to modify, amend or terminate the White List terms without prior notice. Changes will be communicated through official channels, including the Haust Labs website and registered participant emails. Participants are responsible for reviewing the terms regularly, and continued participation constitutes acceptance of any changes.

Participants must be of legal age and have the legal capacity to enter into agreements of this nature. If you do not agree to these terms, you must refrain from participating.

2. **No Guarantees and Perks** Participation in the White List does not guarantee any benefits, rewards or privileges (collectively, the “Perks”). Any Perks offered are provided at Haust Lab's sole discretion and may vary in nature, scope and availability. Haust Labs makes no guarantees, express or implied, regarding the receipt, value or utility of any Perks.

Haust Labs reserves the right to modify, restrict or revoke Perks at any time without prior notice. Participants acknowledge that Perks are provided on an “as-is” and “as-available” basis and Haust Labs shall not be held liable for any modifications, suspensions or discontinuations of Perks.

3. **Non-Transferability** Participation in the White List is personal to each participant and strictly non-transferable. Participants may not sell, assign or transfer their White List status, eligibility or Perks to any third party. Haust Labs may implement verification measures to prevent unauthorized transfers, and violations may result in disqualification.
4. **No Legal or Financial Advice** Information provided by Haust Labs regarding the White List does not constitute legal, financial or investment advice. Participants are solely responsible for their decisions and should seek independent professional advice before making any investment or financial planning decisions.

Haust Labs makes no assurances regarding the value, legality or potential financial implications of participation. Participants assume full responsibility for their actions and Haust Labs shall not be liable for any financial losses or legal consequences.

5. **Limitation of Liability** To the fullest extent permitted by law, Haust Labs and its affiliates shall not be liable for any direct, indirect, incidental or consequential damages arising from participation in the White List. Participation is undertaken at the participant's own risk and Haust Labs disclaims any warranties regarding availability, functionality or security of the White List.

Haust Labs is not responsible for disruptions, technical failures or force majeure events that may impact the White List or associated Perks.

6. **Changes and Termination** Haust Labs reserves the right to modify, suspend or terminate the White List, its terms, eligibility criteria or Perks at any time without prior notice. Continued participation after changes constitutes acceptance of the revised terms. Participants who disagree with any modifications should discontinue participation.

Haust Labs may disqualify any participant at any time for reasons including fraud, abuse or violations of these terms.

7. **Acknowledgment and Acceptance** By participating and connecting your EOA wallet, you acknowledge and accept the terms outlined in this Disclaimer. Your participation signifies full acceptance of all risks, limitations and disclaimers associated with the White List.

If you do not agree to these terms, you must refrain from participating. Haust Labs reserves the right to require additional acknowledgments from participants to ensure compliance with applicable regulations.
